The Department receives all fees in respect of Gender Reassignment matters.

The Gender Reassignment Board does not directly employ its own staff. Staff are provided by the Department of the Attorney General.

Business Transacted

From 1 July 2009 to 30 June 2010 the Gender Reassignment Board received six applications resulting in the issue of five recognition certificates and one application being refused. All applications from the 2008-09 and 2009-10 financial years have been determined.

One further recognition certificate was issued in respect of an application received in May 2009.

Security

All applications lodged with the Board are kept in a secure office with limited access. This is done primarily to ensure the privacy of the individual and to restrict access from persons not directly involved in the administration of the Board.

Appeal Cases

In addition to the figures below, the Board issued two recognition certificates in relation to two applications which were previously refused by the Board, as ordered by the State Administrative Tribunal. These matters are now the subject of appeals in the Supreme Court and as at 30 June 2010 final determinations had not been made.
